About The Corporate Library

Now celebrating its tenth year, The Corporate Library is an independent research firm that provides corporate governance information products, research services and data to a broad variety of clients including institutional investors, corporations, D&O liability insurers, law firms, accounting firms, executive search firms, academic institutions and the media. The Corporate Library produces the definitive ratings of U.S. corporate boards of directors, allowing businesses that subscribe to the service to evaluate governance as an element of investment and other risk. The Corporate Library is also a leading publisher of corporate governance reports and studies, including reports on CEO employment contracts, governance practices, mutual fund proxy voting, and executive and director compensation, which its analysts compile using its extensive database of over 3,200 public companies and over 47,000 executives and directors. Additional information on The Corporate Library and its suite of online corporate governance data and analysis products can be found on its website at www.thecorporatelibrary.com.
